### Synopsis:

As Clay Bay gets ready for its first annual dog show, Chef Claire's Golden Retrievers, Al and Dente, get kidnapped and appear to be long gone. As she, along with Suzy and Josie, embark on a mission to find and rescue them, a new murder case opens up that has everyone scratching their head. And when someone tries to kill the woman who's in town to judge the dog show events take a further turn for the worse.

The situation gets even stranger when a reporter with a penchant for doing hit pieces arrives in town at the invitation of Suzy's mother. And when Suzy and Josie find themselves in her direct line of fire, they are forced to fight back in an attempt to protect their reputations as well as remind the reporter that they are

two women not to be messed with.

The Thousand Islands Doggy Inn Mysteries features two of the smartest and funniest lead female protagonists to hit the cozy mystery scene in a very long time, and Suzy and Josie's affection for food and their boundless love and devotion to their dogs puts this new series in the don't miss category. The Case of the Graceful Goldens is book 7 and the latest installment in this fast-paced and funny series that affectionately focuses on dogs, food, and the natural beauty of the Thousand Islands region.
