The perfect family. The perfect house. The perfect life. All gone now.

What could cause a man, when all the stars of fortune are shining upon him, to suddenly snap and destroy everything he has built? This is the question that haunts Sergeant Ryan DeMarco after the wife and children of beloved college professor and bestselling author Thomas Huston are found slaughtered in their home. Huston himself has disappeared and so is immediately cast as the prime suspect.

DeMarco knows—or thinks he knows—that Huston couldn't have been capable of murdering his family. But if Huston is innocent, why is he on the run? And does the half-finished manuscript he left behind contain clues to the mystery of his family's killer?

A masterful new thriller by acclaimed author Randall Silvis, *Two Days Gone* is a taut, suspenseful story that will break your heart as much as it will haunt your dreams.
