## Synopsis:

### Why use this coloring book?

For more than 35 years, **The Anatomy Coloring Book** has been the #1 best-selling human anatomy coloring book! A useful tool for anyone with an interest in learning anatomical structures, this concisely written text features precise, extraordinary hand-drawn figures that were crafted especially for easy coloring and interactive study. Organized according to body systems, each of the 162 two-page spreads featured in this book includes an ingenious color-key system where anatomical terminology is linked to detailed illustrations of the structures of the body. When you color to learn with **The Anatomy Coloring Book**, you make visual associations with key terminology, and assimilate information while engaging in kinesthetic learning. Studying anatomy is made easy and fun!

The **Fourth Edition** features user-friendly two-page spreads with enlarged art,

clearer, more concise text descriptions, and new boldface headings that make this classic coloring book accessible to a wider range of learners.
