Synopsis:

*Three abandoned children...
Two erstwhile sweethearts...
One missing sister...
And no problem?*

After Iris Delaney kissed him and ran off eleven years ago, Camden La Salle never wanted to see her again. But Iris is back in town caring for her nieces and baby nephew, and she needs his help. Can Camden let go of

their past history to help Iris with her present crisis for the sake of the children's future well-being?

A Christian coastal beach town romance with suspense, LOVE YOU ALWAYS is book 6 in *USA Today* bestselling author Jan Thompson's **Savannah Sweethearts** series of sweet, clean, wholesome, and inspirational multiethnic contemporary Christian romances celebrating faith, hope, and love in Jesus Christ.

Iris's Issues...

When Iris Delaney's five-year-old niece calls her unexpectedly to tell her that her baby brother has run out of diapers, Iris speeds to Savannah to find that her estranged sister, a single mother, has abandoned three kids under the age of six for who knows how long.

Desperate, Iris calls Ming Wei, one of her old friends still living in her hometown, to help her track down the runaway mother. After all, Ming owns Savannah River Investigations, which has been in the news. To her surprise, Ming sends the last person she ever wants to see again...

Camden's Call...

Former FBI agent and burned-out private investigator Camden La Salle is back in Savannah, and is in need of a job. Apparently, stocking grocery store shelves is beyond his pay grade. Ming Wei has just the right job for him to ease back into his PI role. Happy to get a paycheck and healthcare, Camden discovers that the client he has to deal with is his ex-girlfriend. Now he's mad at Ming for setting him up.

At first it's awkward between Camden and Iris, but as things worsen for her two nieces and a baby nephew, the two adults must set aside their differences to keep the children together and try to provide a somewhat normal life for them. But how can anything be normal anymore for Camden and Iris with their entire past catching up to them?

If you enjoy LOVE YOU ALWAYS, you might enjoy the rest of the **Savannah Sweethearts** romances set in the beach town of Tybee Island and in the coastal city of Savannah, two of the most romantic coastal towns in the world.
