

Download Last Breath: A gripping serial killer thriller that will have you hooked (Detective Erika Foster Book 4) Online Book PDF by Robert Bryndza

Synopsis:

He's your perfect date. You're his next victim.

When the tortured body of a young woman is found in a dumpster, her eyes swollen shut and her clothes soaked with blood, **Detective Erika Foster** is one of the first at the crime scene. The trouble is, this time, it's not her case.

While she fights to secure her place on the investigation team, Erika can't help but get involved and quickly finds a link to the unsolved murder of a woman four months earlier. Dumped in a similar location, both women have identical wounds – a fatal incision to their femoral artery.

Stalking his victims online, the killer is preying on young pretty women using a fake identity. How will Erika catch a murderer who doesn't seem to exist?

Then another girl is abducted while waiting for a date. Erika and her team must get to her before she becomes another dead victim, and, come face to face with a terrifyingly sadistic individual.

Gripping, tense and impossible to put down, Last Breath will have you on the edge of your seat, racing to the final dramatic page.

Read what everyone is saying about *Last Breath*:

'Oh my giddy aunt Robert Bryndza never fails to surprise me, just when I convinced myself the Detective Erika Foster series couldn't possibly get any better, he delivers another belter of a book...each book has been from the last and how each story offers something unique, which is why Robert Bryndza continues to be one of my very favourite authors on the planet.'
The Book Review Café

'It's the sort of book that you want to devour in one sitting, it's too good to put down. The characters crackle with energy and the chemistry between them is fantastic to read... A breathtaking addition to the series that I would thoroughly recommend!' *The Quiet Knitter*

'Robert Bryndza has leapfrogged up to the top place in my list of favourite crime authors after reading his other books... This book was absolutely fantastic!! The story gripped me from page one and didn't let up until the end...If you're looking for a gritty police procedural crime thriller, then I can highly recommend this book. If you're going to buy this one, don't forget to buy the others too!! Five stars (although if I could give it more I would!).'
Star Dust Book Reviews

'I will always applaud for more Erika Foster #QueenDetective. I love her so much, she is one of my best fictional characters.' *The Book Heathen*

‘One of my most anticipated reads of 2017...*Last Breath* is a gripping, nail biting ride of a read. I seriously cannot get enough of the author’s books and now that I have finished this one I have the long agonising wait for the next one. **Brilliant series, brilliant book by a brilliant author, what else can I say!’** *By the Letter Book Reviews*
