Synopsis:

"This can't seriously be happening."

When a baby is dropped on Phil Erwin's doorstep, he has three questions: Why's it here? Where'd it come from? And how does he get rid of it? The English professor's worked hard to distance himself from his trashy family, and he's got enough going on without taking on his irresponsible sister's problems. To make matters even worse, an airheaded student is there to witness the embarrassing event.

"If you need a babysitter, you know who to call."

Jay Neeson has never seen his calm, contemptuous thesis supervisor thrown so

far off-balance. Phil's dazzling intelligence - not to mention his rough-hewn good looks - have always intimidated the masters candidate. Since Jay adores kids, he offers to nanny the chubby-cheeked little girl. Winning Phil's approval is a potential bonus.

“Nobody wants you, kid. Nobody.”

Phil's sense of duty means he's stuck with the infant for the moment. As he learns to change diapers and heat up formula, he also begins to appreciate Jay's intelligence and caring. Forced to spend time more together, the two men realize they care for each other - and for Darlene. But as the three start to feel like a family, Phil and Jay's custody comes into question.

With outsiders trying to take their baby away from them, will Phil and Jay be torn apart too? Or will they manage to give Darlene a loving home?

Baby Daddies is a 50,000 word steamy MM contemporary romance. This page turner has no cliffhangers, no cheating, and a guaranteed happily ever after.

Baby Daddies is the third book in the Neeson Boys series, which features Steven, Gavin and Jay Neeson. Each book can be read as a standalone story, but is more enjoyable when read as a full trilogy!
