

Download Denial [Movie Tie-in]: Holocaust History on Trial Online Book PDF by Deborah E. Lipstadt

Synopsis:

In her acclaimed 1993 book *Denying the Holocaust*, Deborah Lipstadt called David Irving, a prolific writer of books on World War II, “one of the most dangerous spokespersons for Holocaust denial.” The following year, after Lipstadt’s book was published in the United Kingdom, Irving led a libel suit against Lipstadt and her publisher. She prepared her defense with the help of a first-rate team of solicitors, historians, and experts, and a dramatic trial unfolded.

Denial, previously published as *History on Trial*, is Lipstadt’s riveting, blow-by-blow account of this singular legal battle, which resulted in a formal denunciation

of a Holocaust denier that crippled the movement for years to come. Lipstadt's victory was proclaimed on the front page of major news- papers around the world, such as *The Times* (UK), which declared that "history has had its day in court and scored a crushing victory."
