## Synopsis:

### THE MARKED SAGA, BOOK 3

*The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself.*

*But there was no end in sight.*

*No peace to be found.*

*The end was only the beginning.*
