## Synopsis:

Join the Susan Branch Fan Club! Susan Branch's original, watercolor artwork and use of quotes, recipes and inspirations are an homage to the little things that make life sweet! Her "Heart of the Home" calendar will warm the heart, comfort the soul and make you a fan too! Printed on matte paper, all calendar pages are printed on FSC certified paper with environmentally safe inks. See "note" below:

Note: Due to a glitch at the printer, the 2017 calendars have been printed on a lighter weight paper than usual. This will be fixed for next year. The color is still gorgeous, Susan's artwork is delightful as always, the calendars will look just the same hanging on your wall, or displayed on your desk top, pen marks do NOT go through to the other side of the pages, the paper and cardboard backing are still safe for the environment, but the calendar papers aren't as heavy this year and we, as the manufacturer, and Susan, as the artist, wanted you to know, so you can judge your value accordingly.
